Favourite Group donates essential items through Sri Lanka Air Force

Favourite Group made a donation of food items, clothing and other essential items for internally displaced persons arriving at the Sri Lankan military camps.

The efforts were coordinated through the Aviation sector of the organization in collaboration with the Sri Lanka Air Force with whom an excellent and mutually beneficial relationship is maintained.

The items were disseminated with close supervision by the Commanding Officer of the Vavuniya Air Force Base. A special team of representatives were designated to visit Vavuniya and hand over all the items to the Government Agent, on behalf of all employees of the group.

On their return from the event, the team of representatives paid homage at Sri Gangarama Pirivana, Hiripitiyawa Galnewa located in the Anuradhapura district which is in the North Central region of the island. Here, a cash donation was made to aid in the construction of sanitation facilities for novice monks and underprivileged children attending their Damma studies.
